

Gannatallah Emad Abdelkader El-Sayed

Data Analyst

Cairo, Egypt • +201018591878 • gemad2605@gmail.com • [linkedin](#) • [github](#)

PROFESSIONAL SUMMARY

Results-driven Data Analyst with a Bachelor's degree in Commerce and Accounting and hands-on experience in data analysis, visualization, and machine learning through 15+ projects. Skilled in Python, SQL, Power BI, and Advanced Excel, with experience in data cleaning, EDA, KPI dashboards, and predictive analytics. Strong ability to transform raw data into actionable insights that support data-driven decision-making

PROFESSIONAL EXPERIENCE

Junior Data Analyst

DIGILIANS — Ministry of Communications & Information Technology (MCIT) & Egyptian Military Academy

| 2024 – Present | Cairo, Egypt

Automated data cleaning and transformation workflows for 10+ datasets using Python (Pandas, NumPy), improving data preparation efficiency and reducing manual effort.

Built **interactive Power BI dashboards tracking 15+ KPIs, enabling stakeholders to monitor business performance, identify trends, and support data-driven decisions**

Developed SQL queries for data extraction, transformation, and analysis, supporting reporting and cross-functional analytical projects.

Mint by EGBANK | Aug 2024 – Sep 2024 | Cairo, Egypt

Participated in structured workshops on financial independence and digital banking strategy, developing a foundational understanding of fintech data environments.

Applied analytical and data-driven problem-solving frameworks to solve multi-variable business case studies, demonstrating strong logical reasoning under real-world business constraints.

CIB — Commercial International Bank | Jul 2024 – Aug 2024 | Cairo, Egypt

Automated daily reporting workflows using Advanced Excel VBA macros, significantly improving reporting efficiency and accuracy for the operations team.

Analyzed customer financial data to support risk assessment reports, applying data-driven logic to evaluate banking metrics and identify key risk indicators.

EDUCATION

Bachelor of Commerce — Accounting and Auditing Ain Shams

University | Cairo, Egypt | Graduation: 2025 Grade: Excellent

with Honors • GPA: 3.75 / 4.0

PROJECTS

1. Brain Tumor MRI Classification — Python • TensorFlow • Resnet50

- Developed a **deep learning image classification model** using MobileNetV2 Transfer Learning to classify MRI scans into 4 tumor categories.
- Achieved **93% test accuracy** using image preprocessing, augmentation, and model evaluation techniques

2. SignSpeak – Video-Based Sign Language Recognition — Python • OpenCV • Deep Learning

- Developed a **video-based sign language recognition pipeline** for classifying 64 sign classes from 551 videos.
- Implemented video preprocessing, **frame sampling/padding to 80 frames**, and sequential data preparation for deep learning.

3. Logistics & Transportation Operational Intelligence — Python • SQL

- Developed an **end-to-end analytics solution** using Python and SQL for data cleaning, transformation, and EDA.
- Built an **interactive Power BI dashboard** to monitor delivery SLAs, fleet utilization, and route efficiency across 10+ route variables

SKILLS

Technical: Python (Pandas, NumPy, Scikit-learn), SQL, Power BI (DAX, Power Query), Advanced Excel
Machine Learning, EDA, ETL, Data Mining, KPI Dashboards

Soft Skills: Data Storytelling, Analytical Problem-Solving, Agile Collaboration, Fast Learning

Languages: Arabic (Native) | English (Professional)

CERTIFICATIONS & COURSES

- **Microsoft Certified: Power BI Data Analyst Associate (PL-300) – (2026)**
- **Google Data Analytics Professional Certificate: Coursera (2026).**
- **Human-Centric Interpersonal Skills** — CIB Egypt | Aug 2024
- **Financial Literacy & Entrepreneurial Skills** — CIB Egypt | Aug 2024
- **Data Literacy Essentials & Data Literacy in Practice (SAS)** — CIB Egypt | Aug 2024
- **Mint Ambassador** — iCareer | Jul 2024
